What students are saying about Theater Lab

"Theater Lab has influenced my life more than anything else. Ever. I have improved exponentially as an actor, writer and human because of the past four shows. The day after closing is always uncannily depressing for me, but especially today. There is always insurmountable joy of creating something bigger than yourself with a group of individuals. I love acting more than anything else, and the shows I've done in Theater Lab have been the best. Thank you too everyone that was involved." — Hannah Meyer

"Thank you all for the best, most humorous, zany, awesome, crazy, wacky, absurd, stressful, fantastically wonderful 5 weeks of all time." — Lily Yasuda
